From the desk of the President:

Happy New Year to all! I hope this note finds each of you in good health.

With 2004 behind us, let's recap what New Jersey Exonumia Society has accomplished in the past year. First and foremost, we finally published that New Jersey encased catalog... and nearly sold out the 1st printing!

Spearheaded by Gary Patterson, the catalog project received many contributions from numerous members. Incidentally, Gary also took over for Al Zaika as journal Editor, while Al remains our faithful Treasurer. Work also began on creating an NJES website, with thanks to "webmasters" Bob and Bill Schopp. You'll hear more about this in the coming months. Membership Chair Steve Middleton informed me that we added at least a couple of new members too! And our annual meeting, at the GSNA convention last May, had a better-than-average turnout. Last, but not least, planning has begun to commemorate the 25th anniversary of our April, 1980 founding. Let your officers know if you have any suggestions or event ideas. Look for more details in the next issue of Jerseyana

The new year promises to be just as productive. Our annual meeting this May will be a special one, so I encourage all members to attend. Don't forget to bring a family member or friend. Mark your calendars for Saturday, May 21, 2005. We plan to celebrate the completion of our 25th year at this meeting, with special events to mark the occasion. Watch for more details as the date approaches.

The officers hope to see many of you in May at GSNA!

Happy Twenty-Fifth Anniversary, NJES!

There are currently 38 paid up regular members. Thanks for getting those payments in. Four members were dropped for non-payment of 2004 dues. Believe it or not, it is time to pay dues for 2005. Please do so as soon as possible. We also have 35 life members on the NJES rolls as of the end of November, 2004. Two of the life members, Dr. Brian Altman and Donald Noe have addresses unknown to us. If anyone knows their whereabouts, please let us know.

We also send Jerseyana's to a few hobby newspapers and organizations. Coin World has run a nice article on NJES in a couple of issues lately. Nice publicity! The GSNA Show will again be held in Somerset, NJ, late IN May, 2005. Details to follow.

**Please renew NOW for 2005. Send your \$8.00 per year dues, Payable to NJES, to
Al Zaika, P.O. Box 65, Bellmawr, N.J. 08099**

Thanks.

Sincerely,

Steve Middleton

Why not make that check out for \$10 (Dues \$8 plus \$2) for a 50-50 ticket to help off-set the cost for our 25th anniversary project. (Life time members \$2). Most members prefer an encased cent (all members will rec' one). We are also trying to get 150 Dated 1980 nickels (date we were founded) instead of using a cent. If any members can help us on these please let one of the officers know - Thank you.

This Note was made by S.S.ADAMS CO. of Asbury Park, N.J.
They made all kinds of magic tricks, a few tokens and related items for the Magicians.
This note is Green on one side and Yellow on the other.

Like the Cabbage Patch Doll Lottery Ticket collecting has seen a steady decline over the years. PA. started March 7, 1972 (this ticket was sold For the Sept. 20th. 1972 drawing). It is signed by Governor Milton Shapp. Mr. Shapp who was a millionaire at the time still lived in the \$17,000 small Ranch he bought through the V.A.

Been to the jersey shore this past summer and picked up some amusement tokens that you now forgot where you got them ? A ticket will help when no address appears on the token - or you can write or email member Bob Schopp (address in the classified AD section).

Local man's coin makes Smithsonian

A souvenir coin which a Deming man has carried in his pocket for the past 35 years is now a part of the National Numismatic Collections at the Smithsonian Institution.

The Whitehead and Hoag facsimile of the 8 real piece is a gift from Albert J. Fabian, 1702 S. Santa Cruz.

Fabian said he found the gold coin on a golf course in Cleveland where he was working as a caddy when he was a youngster.

A few months ago, as he browsed through a Smithsonian magazine, he saw a picture of some rare coins and one of

them looked identical to his. He wrote the museum, saying he would be glad to donate the coin.

Following instructions, he mailed the coin to the museum so it could be inspected for authenticity before his donation could be accepted.

Last week he received a letter of acknowledgment and appreciation from Carl H. Scheele, chairman of the Dept. of Applied Art, Smithsonian Institution. He informed Fabian that the coin has been entered on the records as a gift from him.

This appeared in the July 8, 1971 Deming Headlight Newspaper from Deming, New Mexico. I had this token in my Whitehead & Hoag collection and it was issued in bright gilt brass making it appear to look like gold.

SHARE WHAT YOU KNOW, LEARN WHAT YOU DON'T !

In the last issue I asked member James Boswell some information on IBPOEW and if he ever seen any tokens from the ladies of that organization. His reply follows -

The complete name of the IBPOEW is Improved Benevolent and Protective Order of Elks of the World. They meet in Lodges just like the BPOE and their Lodge's presiding office is called the Exalted Ruler (also, just like the BPOE).

The BPOE now admits ladies but, the IBPOEW does not as far as he knows. The ladies are a "separate" part of the IBPOEW and meet in Temples (which are usually the same place where the men meet), The IBPOEW's ladies are called Daughter of the IBPOEW and their presiding officer is called the "Daughter Ruler"

Jim has a few IBPOEW tokens issued by the Lodges but has never seen or heard of one that was issued by any of their Temples. There are several towns that have a IBPOEW Temple but no Lodge and vice versa.

"Thanks" Jim

NOTICE - With many collectors now selling & buying on ebay I'm thinking of changing the format of the classified Ads to "Collecting Interest" (I'll still run your selling ad if you want one). It is hard for a member to sell items when we only go to press every three months. Many of our members belong to other clubs and you will notice that there classified ads are mostly "WANTED" Ads with very little selling. If you check our ads this issue you will only find 2 selling and the rest "Wanted". In the "collecting interest" I will run your ad all year unless you write and change it. If you do "Sell, Buy or Trade" I will note that. Ex. - John Doe, (address) Collecting all "GOOD FOR" 10¢ Tokens from the State of New Jersey & PA. - Will Buy - Sell - or Trade. Price & Write. If you start collecting something else we can always add it in. Put all you want in your ad up to 50 words and we will try it for the next issue.

Back in the 70's a large hoard of the Long Branch, N.J. Scrip was found and selling for around \$3 at many flea markets. This Scrip Note from Ventor City, N.J. was picked up at a Antique Shop in PA. this past summer for \$5. Dated April 15, (Tax Return Deadline) 1935.

Company Money Donated to Museum

New Jersey glass factories once minted their own coins to pay workers because the United States did not have a stable currency until after the Civil War. A gift by William and Dorothy Montag to the Museum of American Glass consists of 60 one-cent coins minted by glass factories S. A. Whitney Glass Works and Warrick and Strangers, of Glassboro, and Bodine Brothers of Williamstown. Coins and paper banknotes, called "scrip" or "shipplasters," were good at face value in the glass company stores but discounted by other local merchants or businesses. In the 1870s glassblowers went on strike demanding to be paid in regular currency, and in 1880,

the New Jersey legislature abolished the practice of issuing company money, making it the law that New Jersey workers were to be paid in legal currency.

The Montags have amassed the largest collection of New Jersey glass factory coins, and plan to give their entire collection to the Museum over the next several years. ■
